

DISCIPLESHIP JOURNEY

A disciple is a follower of Jesus Christ.

From the moment we surrender our life to the lordship of Jesus Christ, we begin our “Journey” of discipleship. The final command Jesus gave his disciples was to make disciples, teaching them to observe all that he had commanded. We realize that heaven does not count professions of faith; heaven counts disciples of Christ.

This journey is unique and will look different for each individual. There is no one size fits all or mass production when it comes to discipleship. However, over time and through the power of the Holy Spirit, our lives will begin to look more and more like that of Jesus.
